Errata 1

Page 83, Eq. (5). Instead of
\[
\sigma_6 = \frac{2P_2}{\pi d} \left[ \frac{(R-Y)^2 X}{(X^2+(R-Y)^2)} + \frac{(R+Y)^2 X}{(X^2+(R+Y)^2)} \right]
\]
it should be
\[
\sigma_6 = \frac{2P_2}{\pi d} \left[ \frac{(R-Y)^2 X}{(X^2+(R-Y)^2)} - \frac{(R+Y)^2 X}{(X^2+(R+Y)^2)} \right].
\]
The same sign corrections in the square brackets should be done in the expressions for the shift stress tensor components $\sigma_4$ and $\sigma_5$. Therefore all the equations including these stress components need to be rewritten throughout the text.
